

Creative Castle

Practice your skills as a Heritage Detective by looking at the exhibits.

Become a Heritage Detective at Mont Orgueil!

Mont Orgueil is full of beautiful and interesting exhibits, each created by a skilled crafts person.

Jersey Heritage wants you to investigate the exhibits and see what you can find out.

The first exhibit is on the Lower Ward. You'll find it near the stocks overlooking the sea.

1. How many fish can you see on the exhibit?

.....

2. How many prawns can you find?

.....

3. What type of shell creature is on the bottom level on the exhibit?

.....

Head up the steps to find the Wound Man

4. How many arrows can you find in the Wound Man?

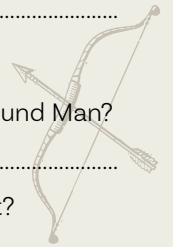

.....

5. What weapon is in the Wound Man's foot?

.....

6. Which weapon on the Wound Man would you not associate with a 'bows and arrows' medieval castle?

.....

Head further up the steps to The Keep. The Keep is the highest, strongest and most secure place in the Castle and it has the most exhibits.

Tree of Succession

7. Who designed and made the Tree of Succession?

.....

8. Can you name the figure of the lady in the middle at the base?
