Going into the courtyard

You can walk around Hamptonne in any direction you like. Sometimes there may be a tour guide to show you round if you want.

Useful places

Toilets - there are chains hanging at the doorway to stop the chickens going inside!

Café - you can sit inside or outside
HISTORIC HOUSES

You can walk around the rooms and touch the objects - except for the spinning wheel as this is a very special machine that is used to demonstrate making wool. Sometimes there will be a person in the room to show you how it works.

SYVRET HOUSE

The Syvret House has been restored to show how it looked in the late 1940s. You can listen to recorded voices in the rooms tell stories of life during the Occupation.

PLAYGROUND

This might be a bit noisy if there are other children playing here. You could explore the orchard or meadow while you wait for a quiet time.

FARM ANIMALS

You will see lots of chickens roaming free at Hamptonne. There are also cows, pigs and rabbits in their separate pens.

LIVING HISTORY CHARACTERS

These people are dressed in old costumes and will explain what it was like to live at Hamptonne in the past. You don’t need to stop and listen to their stories if you would rather explore on your own.

SHOP

If you want you can buy something from the shop before you leave.
