

## Guidelines for groups to Jersey Heritage sites

To help you fully enjoy your visit to our sites, please ensure your group follow these guidelines. Any group who does not follow these guidelines maybe asked to leave the premises without a refund.

Please ensure all supervising adults/teachers/leaders read through the following guidelines carefully and relay instructions to students in the group before visiting any Jersey Heritage Site

### Supervision

- Jersey Heritage recommends at least one teacher for every 10 students but all groups **must** have at least one qualified teacher with them.
- Teachers are responsible for the groups they lead, not Jersey Heritage staff and students must be supervised at all times whilst they are at a Jersey Heritage site.
- Students must respect other visitors to Jersey Heritage sites and be mindful when moving through the site.
- Large groups maybe requested to split into smaller groups when moving through a site.
- Be sure you know where students are at all times and please make sure they understand the dangers of straying into unknown areas
- Put litter in the bins provided
- Do not throw objects whilst on the site, especially around our Castles
- Please stick to the trails and routes already marked around the sites
- Remember that some animals bite! Please do not feed, chase or disturb the animals that can be found around the sites.
- If the above guidelines are not followed your group maybe asked to leave the site without a refund.

### Security

- To ensure that you enjoy your visit, we ask that leaders are responsible for their group throughout the visit, including the time spent in picnic areas, as well as shops.
- At least one teacher must accompany any student in a shop.
- Leaders must ensure that members of their group follow all advice given by the Jersey Heritage staff.
- Any damages could incur a charge.

- Most activities must always be accompanied by an adult
- It is the responsibility of the leader of the group that children are supervised during activities
