

Houses and Homes – Old and New

As you explore the Merchant's use you will see that some of the things in the rooms are different to those in your house.

Pick two things to draw from the Merchant's House and then draw how the modern day

A large, empty rectangular box with a double black border, intended for drawing. A thin horizontal line is drawn near the top left corner.A second large, empty rectangular box with a double black border, identical to the first one, intended for drawing. A thin horizontal line is drawn near the top left corner.
