WHEN YOU ARRIVE

You walk up this path to reach the Castle entrance.

WHEN YOU COME IN

You walk a little way into the Castle before you reach the ticket office/shop. There may be a short queue and sometimes it can be a busy area.

THE LOWER WARD

You can walk around Mont Orgueil in any direction you like. There are staircases, towers and secret rooms for you to explore. There are also regular guided tours.

CAFÉ

This is to the right as you enter the Lower Ward.

TOILETS

These are found near the Café as well as half way up the Castle.

STAIRS

Follow the main stairs up the Castle and once you get inside there are a number of smaller staircases to explore. Be careful because sometimes the steps are steep and uneven.

LIVING HISTORY

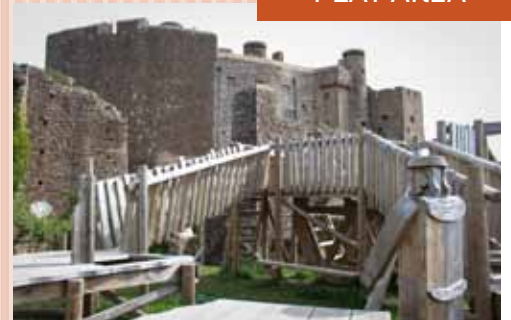

You may meet people dressed in costume who will explain what life was like at the Castle in the past. You don't need to stop and listen to their stories if you would rather explore on your own.

DRESSING UP ROOM

You can borrow costumes to dress up as a medieval Knight or Princess.

PLAY AREA

This might be a bit noisy if there are other children playing here but there are other places to explore while you wait for a quiet time.

CRYPT

It can be dark in here and you will hear the sound effect of church bells.

EXHIBITS

There are exhibits and artwork to discover all over the Castle. Occasionally there are objects hanging from the ceiling and videos to explain things. One exhibit includes flashing lights.

WITCHES

This exhibit is at the bottom of the Keep. The room is dark and the exhibit makes a very loud scraping noise if you turn the levers.

AT THE TOP

The view is brilliant from the top of the Castle but it can be windy up here!

OUTDOOR AREAS

There is a lot of outside space to explore at the Castle.

SHOP

If you want you can buy something from the shop before you leave.
