From the Heritage Weddings team

Planning a wedding can be exciting and terrifying! With so much to organise, it can be difficult to know where to start. Our recommendation would be...with the venue!

Once you know where you want to get married, it is much easier to start lining up the overall theme, colour scheme, look and feel of your special day.

We have a wide range of sites available, including some where you can stay overnight - making it easy to get ready, and perfect for your wedding night.

Our Weddings team are on hand to advise you about the best local suppliers to help to make your dream day a magical one. Get in touch, have a chat about what you're looking for and see how we can help you to make it happen.

All funds raised from wedding bookings at our sites go directly towards the important work our charity does to protect and preserve Jersey's history, so your dream day benefits the Island, too.

Visit our website for photos and details of what each site can offer you. For availability, please get in touch with our Weddings team or visit one of our sites.

### Mont Orgueil Castle

Mont Orgueil Castle is one of the best-preserved castles in Britain and one of the most striking and attractive sites in the Island. Built in the 13th century, this dramatic castle is set against the backdrop of Gorey harbour.

With spectacular views of the Island's east coast and across the sea to France, it creates a breathtaking backdrop for a wedding ceremony or reception.

### Elizabeth Castle

Elizabeth Castle sits within the picturesque bay of St Aubin overlooking the south coast of Jersey and is completely surrounded by the sea twice a day. You and your guests will be transported from the shore in one of our Castle Ferries - a truly unique experience for you and your guests.

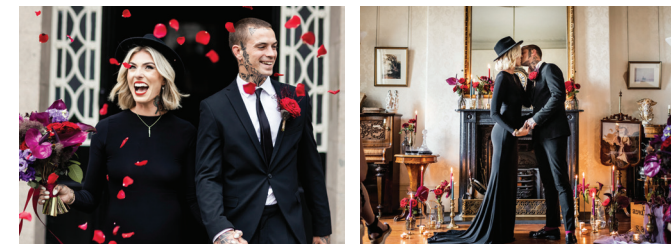

### La Hougue Bie

This ancient, magical site is amongst the ten oldest buildings in the world. The rural, peaceful grounds include a grassed hill topped by the picturesque 12th century chapel of Notre Dame de la Clarté, where small religious ceremonies can take place.

### Hamptonne Country Life Museum

Hamptonne is a collection of fine, traditional Jersey farmhouses dating back to the 15th century that have been restored to their original beauty. Located in the heart of the Island's countryside, it is an idyllic site for a wedding ceremony or reception.

### Jersey Museum, Art Gallery & Victorian House

The Victorian House adjoins Jersey Museum and is one of the finest examples of a 19th century townhouse in Jersey. The house has been fully restored so that it appears exactly as it would have done in 1861 when it was home to a prosperous family in Victorian St Helier.

### Howard Davis Hall

This small hall, formerly a billiard room, is the only part of the original building that remains.

Available for both a ceremony and small reception, the hall is a wonderful, intimate venue set in a beautiful public park.
